IVYMAY (FUTURE BRIDE)

“ I came a away saying yes to the dress! I attended both Ascot and Morden Hall, had a fabulous time at both, felt very welcome. The guys from County Wedding events are fab! Staff were extremely helpful and friendly, and helped me from Ascot to find my dress today at Morden Hall with the lovely ladies from Brides Visited in Ashstead. Would highly recommend any future bride to take along their family and friends to any of their upcoming events. Lots of different vendors to check out, something for everyone and easy to park. Can't believe it's free entry, me and my family had a wonderful time. Thanks County Wedding Events ”

A big thank you for the wedding fair at Hampton Court Golf Course at the weekend, great venue and as always very well run by County Wedding Events team. As you know I lost faith in wedding fairs having been a wedding photographer for over 20 years now, but I am so pleased to have now started doing your wedding fairs and shows, always professionally run, great communication and always kept updated through your media team. The couples you get through the door are genuine couples and I have not failed to benefit from the outlay of booking with you, having been booked from all the fairs and shows I have attended with you and will definitely be continuing to book and use the County Wedding teams for my marketing and advertising.

BRAXTED PARK

“ Sarah Ellis and her team at County Wedding Events have successfully organised wedding shows here at Braxted Park Estate for over 3 years now and I would highly recommend their services to any venue looking to promote themselves. The service is completely professional, exceptionally organised which has led to highly attended events and numerous new bookings for us! Their marketing platforms are 2nd to none and being publishers of 19 regional wedding magazines puts their service above and beyond any other. ”
